How to...
Make a Payment

Students have the ability to make payments in the new ACES/Self Service.

From the Student Center Home Page, open the “other financial…” Finances drop-down menu in the Finances section and choose Bills.

Making an e-check payment

On the Bills page, you will see the icon. Click on this icon to go to the Student Account E-check payment website where you can make your payment.

NOTE: Pop-Up Blockers - If you have problems opening the E-check payment website, first verify that you have added the new ACES URL or this page to your pop-up blocker exceptions. Without this, this page will not open.

If you have problems opening this website, contact the OIT Help Desk at 684-2200 or help@oit.duke.edu

If you have questions about your invoice or payments, contact the University Bursar's Office at 919-684-3531 or bursar@duke.edu.
