

Instructions for Remote Desktop App for Mac

Technical requirements: Operating systems Mac OS 10.9, 10.10, 10.11 and 10.12

- Install Microsoft Remote Desktop App from the Apple App Store
 - <https://itunes.apple.com/us/app/microsoft-remote-desktop/id715768417?mt=12>
- Once installed, launch the app from the Applications folder on your Mac.
- Click on the Remote Resources Button

- Enter the following information in the resulting window:
 - URL: <https://sis-imnra-pap1.win.duke.edu/RDWeb/Feed/webfeed.aspx>
 - User name: win.duke.edu\NetID
 - Password: Your NetID password

- You should now see the Perceptive Content Remote App in your Remote Resources
- Double Click to Launch this. It will show a temporary Windows Login window and then the Perceptive Content application will launch.
